

Ref HRC 60

**HOUND OF ROYAL CLARENCE, CARA MARINE (AQUA-STAR) 60'**  
Certificate of British Registry 910286 / IE-CAR18004G403, Portsmouth

**BUILDER:**

Cara Marine Ltd, Ireland in 2004, launched 2005

**DIMENSIONS:**

LOA: 61'4" (18.7m) x LOW: 50'0" (15.25m) x Beam: 16'2" (4.94m) x  
Draft: 2'8" (0.85m)  
Displacement: 27,000KG

**CONSTRUCTION:**

The Cara Marine 60 is fully compliant with the EU's Recreational Craft Directive and is CE-classified as Category A – Ocean (the highest classification). The hull and superstructure is constructed in accordance with Lloyds approved drawings, finished in off-white gel coat.

The 18m hull (designed by Cara Marine for its range of pilot launches) has fine lines forward to give a soft entry into head seas, moving into a round bilge with chine flats that offer low and high speed stability. Combined with the full length keel, the design provides excellent sea-keeping in all conditions and easy, slow, manoeuvring, in all directions.

Luxury aft cockpit cover, blue external with luxury cream interior, multiple window adjustment, secures to great fit and protection in foul weather (2012).

Moody teak decking laid to the foredeck, side-decks, aft deck and bathing platform with additional teak laid planking to the bathing platform steps and sun-bed on foredeck superstructure. Fitted white sun-bed (as new) secures to foredeck.

**Foredeck and Side decks:**

Wide teak-laid side decks for safe passage around the yacht. Stainless steel grab rails and opening side ports throughout.

**Upper Helm area:**

Heavy-duty toughened glass with stainless steel framed windscreens protecting helm and cockpit. Adjustable navigation seat to port and helm seat to starboard. Full bank of CAT engine controls and navigation aids.

**Aft deck area:**

Protected by high stainless steel guardrails. Bench seating configured in U-shape with 2 (folding) dining tables. Under seat storage.

**Bathing Platform:**

Boarding ladder, hydraulic passarelle (new ram 2013) for rib lift/launch. Steps from aft deck level via boarding gate. Twin hatch access through bathing platform to jet drive machinery allowing easy inspection.

MECHANICS:

**Engine and Drive Units:**

Twin Caterpillar C12 704hp diesel engines  
Twin Hamilton Jet Drives. Bennett trim tabs

Hydraulic controls with dual-level throttle and hood controls for precise and easy manoeuvring in strong wind and tidal conditions.

Altair Vega Intake Separators x 2

Halyard HMI Exhaust Alert system

**Maintenance and Performance:**

Engine hours as of Jan'14: approx 270 hours  
Fully serviced May'14, incl. jets. Performance print-outs 100% (Aug'13 - Finnings)

Cruising speed: approx 22 knots, Maximum speed: approx. 30 knots

**Fuel:** Diesel. 2 x 1,500 litre heavy-duty aluminium fuel tanks

ELECTRICS:

**Batteries** 24 volt, powered by 6 batteries giving capacity of 1000amps (new 2012)

**Battery Chargers/Inverters:** Victron 240v battery charger (new 2012)

**Generator:** HFL (Isuzu) generator, approx 135hrs (fully serviced Aug'13)

**Shore Power:**
